

**Specification:** MIFAB® C230-TS Series (specify size and material finish) adjustable floor cleanout cover with lacquered cast iron body, scoriated cover (specify material type) with stainless steel vandal proof allen key screws and three anchoring set screws.

**Function:** Used in finished floors to provide access to pipe installed underneath. The standard nickel bronze cover is a heavy duty design and can be used for all finished floor areas subject to foot and light vehicular traffic. Specify extra heavy duty ductile iron covers for unfinished floors subject to heavy vehicular traffic.

MODEL NUMBER	BODY HEIGHT	COVER DIAMETER	FITS OVER PIPE SIZE
