

**T2400-F** T2400-F - 24" Wide, Frame and Grate System

Order Guide Suffix	Description	List Price, per 12" long section
-4	Special Duty Ductile Iron slotted grate (Standard), Load Class F	\$200.00
-4-3	Special Duty Ductile Iron slotted grate (Standard), Load Class F with Type 304 Stainless Steel Veneer	\$833.00
-4-11	Special Duty Ductile Iron slotted grate (Standard), Load Class F, acid resistant epoxy coated	\$300.00
-4-13	Special Duty Ductile Iron slotted grate (Standard), Load Class F, galvanized	\$300.00
-LGHP	Heavy Duty, Heel Proof Longitudinal Slotted Ductile Iron, Load Class C (with veneer)	\$250.00
-PC	Heavy Duty Fabricated steel, acid resistant epoxy coated cover, Load Class C	\$175.00
-11	Acid resistant coated frame assembly	\$59.00
-13	Galvanized frame assembly	\$59.00
-3	Type 304 stainless steel overlay top frame (over top of fabricated steel frame)	\$336.00

*Note: Specify the total length of the T2400-F trench drain frame and grate system required along with the type of grates required, and design of the trench drain system (straight run only or straight runs with corners and turns). Mifab's Engineering team will produce a sign off drawing illustrating the T2400-F trench drain system requested for customer sign off and then Mifab® Customer Service quotation.*

Fabricated Grates (all 12" long x 24" wide)		
Order Guide Suffix	Description	List Price, per 12" long section
-PGG	Galvanized steel, perforated grate, Load Class A, meets ADA requirements	\$350.00

Accessories		
Order Guide Suffix	Description	List Price, Each, Add
-PGLVP	Vandal resistant grate lockdown hardware (Suffix -6)	\$9.00

**List Price, Per Foot (Frame Only)**

T2400-F frames have a List Price of \$150.00. Each frame section is available in 12" long increments.  
\$150.00

**PER FOOT PRICE CALCULATION:**

**Full size bodies:** Divide the above noted List Price (\$150.00) by length of the frame (12") = \$12.50 List per inch. (Frame Only)  
 $\$12.50 \times 12" = \$150.00$  List per foot (Frame Only)

**12" long x 24" wide long ductile iron grates:**

Divide the above List Price (\$200.00 for the T2400-PG-4 for example) by length of the grate (12") = \$16.6666  
 $\text{List per inch. } \$16.6666 \times 12" = \$200.00$  List per foot. (Grate only)

Therefore, a typical T2400-F trench frame and grate system is \$350.00 List Price / foot (\$150.00 + \$200.00).  
 This List Price includes the frame and the T2400-4 ductile iron grate. All other accessories are extra.
