

**MIFAB®****A7 BODY****A7 DEEP SUMP BODY FOR ROOF DRAINS****Specification:** MIFAB® Series A7 lacquered cast iron deep sump body with 16 5/8" diameter anchor flange.**Function:** Used in any type of flat roofs. Extra large sump area provides for efficient drainage of rain water and when combined with our various dome strainers it prevents debris from entering the drain line. Extra wide anchor flange with tongue in groove design provides for secure grip of membrane and roof flashing materials.
