## Notice

RE: Domestic Assembly Requirements

MIFAB offers a majority of their product line to meet different government stimulus act requirements. Two options are offered to meet these requirements.

1. Any product offered with the -BA option meets the Buy American Act requirements. Requires **51%** material cost of components of the final product to be made in the U.S.
2. Any product offered with the -ARRA option meets the American Recovery and Reinvestment Act requirements. Requires **100%** material cost of components of the final product to be made in the U.S.
